## 3. GAME STORY

Once there was a holy place called Argool which was founded by five legendary Indora Gods. One day, suddenly the blackest tragedy happened. The prosperous holy place, Argool was attacked by the troops of the cruel king called Ligar. The sky of the holy place was completely covered with the flying castle of Ligar and his army of dangerous beasts. These animalized soldiers came down from the sky and committed the most atrocious cruelties. In a single day, they established the kingdom of EVIL. In addition, Ligar took away the "Door to Peace" symbolizing the peace that had been created by Indora.

The hope for peace disappeared with the loss of the "Door to Peace" and the people of Argool ceased to smile and could only pray for salvation. They prayed an ancient passage to counter the fulfilled prophecy of Ligar's evil reign of terror. The legend says, "When the peaceful land is covered with EVIL SPIRITS, a brave soldier will be brought to life from the dead, for the purpose of saving persecuted people. The people of Argool's painful prayers were so loud that it reverberated throughout the mountains and traveled a long distance in the land of Algosu. And at last — Rygar, the hero came back from the dead in order to restore peace to the land of Argool, battling the forces of evil everywhere. Join forces with Rygar!

## 6. FIRST OF ALL, GO TO MEET THE LEGENDARY

- First of all, seek wisdom from the legendary God, listen to him as he will teach you lots of things.
- Get a grappling hook weapon from a legendary God.

There is a legendary God who will give you a grappling hook weapon. Usually Rygar uses a rope for vertical movement. In addition, the use of a grappling hook weapon allows him to go up or come down from a tree or cliff. First set the **+** button to UP position or DOWN position and use **(B)** button for a grappling hook weapon to be lengthened and caught on a tree nearby a cliff. Now Rygar is free to climb up or down a tree or a cliff. But remember that the position of a hill he can climb up or down is limited.

Door of  
a legendary

Once you get a grappling hook weapon, use it in various situations. It is also possible for the weapon to be caught by a tree or a hill outside the screen. In Lapis, go down to see a lot of places to make sure of geographical features.

There are many legends isolating themselves from society for ascetic practices. These hermits will help Rygar to be refreshed.

## ● Recovery of the physical strength

Some legends are of assistance in the recovery of physical strength of the wounded and physically weakened Rygar. With some legends, Rygar is refreshed by seeing them. With others, they give him medicine for recovery of his physical-strength. But unless Rygar has a coat of arms given only to brave warriors, he is not allowed to get the medicine. For the medicine, display a sub-screen and move 1 through the horizontal movement of the  button for item selection and use  button for decision-making.
